

## Lichfield City Council

### Buildings and Open Spaces owned by Lichfield City Council

Lichfield City Council maintains some 65 acres of public open space and some 6,250 metres of footpaths, including the lighting on these paths (these are footpath links through estates, not the pavements at the side of the road). We are responsible for all the bus shelters in the City (except in the bus station) and for various public seats.

Buildings owned by the City Council, together with their Unique Property Reference Number (UPRN):

Property	UPRN	Address
