# LICHFIELD CITY COUNCIL 

## INTERNAL AUDIT REPORT

## 2022-23

## ANNUAL REPORT OF INTERNAL AUDIT 2022-23

## Introduction

The purpose of this report is to:

- Provide the Council with an internal audit opinion of the effectiveness of the systems of financial control, risk management and control arrangements based on the work undertaken during the year
- Summarise internal audit activity
- Raise any particular issues arising from that work

## Overall Opinion

Based on the findings of the work undertaken during the year, my overall opinion on the soundness of the system of internal control is that it was adequately controlled. The overall opinion for each review conducted is given in the Appendices. Areas for improvement were identified in a number of reviews and action plans agreed.

## Background

The Local Government Accounts and Audit Regulations 2011 require every Authority to maintain an adequate and effective system of internal audit of its accounting records and its system in accordance with proper internal audit practices.

Internal Audit is an assurance function that primarily provides an independent and objective opinion to the Council on the control environment comprising risk management, control and governance, by evaluating its effectiveness in achieving the organisation's objectives. It objectively examines, evaluates and reports on the adequacy of the control environment as a contribution to proper, economic, efficient and effective use of resources.

Internal Audit must ensure that all activities of the Council are subject to an internal audit review. The identification of these activities has been agreed with the Town Clerk.

The annual Audit Plan for 2022-23 was approved by the Audit Committee on the 10 March 2022 Approved by Council 14 March 2022, and is reproduced for information as Appendix A.

The findings of work undertaken, and recommendations are at Appendix B.
A summary of the recommendations and management response are at Appendix C.
The Management and Insurance risk register details are at Appendix D.
The Annual Internal Audit Report as required for the Annual Accountability Return for the year ended $31^{\text {st }}$ March 2023 will be completed as the statement of accounts for 2022-23 is prepared. Details are contained in Appendix E.
