2. To cover charges levied by PPL PRS Ltd, bookings that include live 'popular' and 'classical' music will be charged an additional fee of £120 per performance. Please also refer to the Terms and Conditions in the Application for Room Hire.

Bar Facilities

If you wish to sell alcohol at your booking (maximum bar duration 6 hours), you can either make your own arrangements with a qualified licensee to provide bar services or utilise the fitted bar facilities within Guildhall.

The City Council offers bar facilities up to 6 hours in duration (subject to availability). An additional charge may be payable for bar provision where, in the opinion of the bar provider, factors such as duration and/or number of expected patrons significantly compromises the financial viability of the provision. Restrictions apply to any alcohol supplied by the hirer. All prevailing requirements for the sale of alcohol will be enforced (proof of age etc).

If you do not wish to utilise LCC's bar facilities but do wish to sell alcohol at your event, (maximum bar duration 6 hours), you can make your own arrangements with a qualified licensee to provide bar services. Please discuss this with the Bookings Officer.

If it is a private function and alcohol is to be provided entirely free (there must be no direct payment, or indirect payment in ticket price etc.) a licence is not required and you can bring in your own alcohol. You should supply your own glasses.

Catering Services

The City Council does not offer its own catering service, but your chosen caterer can utilise the onsite kitchen facilities.

The name and contact details of your caterer should be supplied to the Bookings Officer. An additional £100 deposit will be required from the caterer that will be returned after the event if the kitchen is left appropriately clean and tidy. Should items need to be re-washed following the event, a charge will be deducted from the caterer's deposit.
