BAR FACILITIES

If you wish to sell alcohol at your booking (maximum bar length 6 hours), you must make your own arrangements with a qualified licensee to provide bar services - please discuss this with the Bookings Secretary. The fitted bar facilities within Guildhall are unfortunately unavailable for private use as it is used solely by Lichfield Arts. You will also need to provide your own glasses.

If it is a private function and alcohol is to be provided **entirely free** (there must be direct payment, or indirect payment in ticket price etc.) then a licence is not required, and you can bring in your own alcohol. In this case you should also arrange to supply your own glasses.

CATERING SERVICES FOR GUILDHALL

The City Council does not offer its own catering service, but your chosen caterer can utilise the high standard kitchen at Guildhall.

The name and contact details of your chosen caterer should be supplied to the Bookings Secretary who will send them a form to complete to ensure they take responsibility for facilities they will be using. An additional £100 deposit will be required from the caterer which will be returned after the event if the kitchen is appropriately clean and tidy. Should items need to be re-washed following the event, a charge will be deducted from the caterer's deposit.

The following firms have provided catering arrangements at the Guildhall for various functions. The inclusion of firms on this list does not however imply any recommendation by the City Council.
