#### 11. LICHFIELD DISTRICT COUNCIL - NATURE RECOVERY DECLARATION

On 7 June 2022 the Cabinet of Lichfield District Council (LDC) made a Nature Recovery Declaration, which is included as an **ENCLOSURE** to this agenda. The declaration sets out 11 separate commitments to support the recovery of nature across Lichfield District.

The declaration and resulting actions are being led by Councillor Angela Lax, LDC Cabinet Member for Housing, Ecology and Climate Change, who has been in contact with the Town Clerk regarding this declaration since its early stages. As a significant landowner within its boundaries - more than 60 acres of open space and being responsible for some highway verge cutting in the City on behalf of Staffordshire County Council - LCC is viewed as a potential key stakeholder in this process. The declaration states in part:

The nature crisis and the climate emergency are intrinsically linked. The impacts of the climate crisis are driving nature's decline, while restoring nature provides a wide variety of cost-effective benefits to mitigate and adapt to the impacts of climate change.

LCC passed a 'Climate Change Emergency' motion at its meeting of 21 October 2019.

In addition to projects that LCC can continue to undertake of its own volition, the LDC declaration offers the opportunity for land in LCC's ownership to benefit from LDC's wider efforts, with the expertise and resources that will be brought forward being of benefit to LCC's own ecological credentials and improving outcomes across the City.

**RECOMMENDED:** To resolve to support Lichfield District Council's Nature Recovery Declaration and to support its aims where the City Council considers it within its powers and proportionate resources to do so.

#### THE MEETING ADJOURNED FOR PUBLIC FORUM

A member of the public addressed the Council regarding disputed car parking charges received from residents and visitors who had parked vehicles at facilities managed on behalf of Three Spires Shopping Centre. There were three main matters that the Council was asked to respond to:

- 1. Whether the Council supported the efforts of the community to raise awareness of this issue and to support those affected
- 2. Whether the Council would share information relating to this campaign through its publicity channels
- 3. Whether Councillors would support the Facebook Group by joining it, advertising it and supporting the volunteer effort.

Councillor D Baker replied on behalf of the Council, firstly stating that the City Council has no authority or responsibility regarding designated car parks in the City, but that the Council would support the actions of the group where residents have indeed been wrongly charged.

In answer to the second question, Cllr Baker confirmed that the City council would need to be careful as to what material it did share as it has no jurisdiction in the matter, but that general publicity may be appropriate subject to sight of such publicity and discussions with City Council officers as to its appropriateness.

Finally, Cllr Baker confirmed that, in regard to question 3, the question as put is to the Council as a 'body' and that 'body' cannot compel its individual members to support a particular cause. However, if individual members wished to support the cause they were at liberty to do so in ways that they felt appropriate.

#### THE MEETING WAS RECONVENED

#### 20 AUDIT COMMITTEE

Members considered the Minutes of the Audit Committee meeting held on 9 June 2022. In addition to consideration of the 2021/22 out-turn and associated matters, the Committee also made recommendations to Council regarding:

- the adoption of updated City Council Financial Regulations and Standing Orders following amendment to make them gender neutral, update legislative references and replace RPI with CPI as the preferred inflationary measure
- an updated Cyber Security Policy.

Councillor D Robertson highlighted the difficulties associated with 2021/22 budget setting due to the COVID pandemic but was pleased to see the Market function return to profitability. Cllr Robertson also highlighted that Guildhall costs were approximately £10,000 less than forecast in the 8-month summary, representing 1.2% of the precept. Cllr Robertson drew a parallel to the 1.5% precept rise agreed by Council for 2022/23.

Cllr J Anketell stated that he felt it surprising that the Leader of the Council was the Chair of Audit Committee.

### **RESOLVED:** That the Minutes and recommendations of the Audit Committee meeting held on 9 June 2022 be adopted and that:

- 1 The Report and Out-Turn Statement 2021/22 be received.
- 2 The Council as Trustee of the Johnson Birthplace Charitable Trust make a payment of £12,936 from the Trust Funds to the City Council as the contribution to the expenditure incurred by the City Council in operating the Museum during the 2021/22 financial year.
- 3 In respect of the External Auditor Annual Return for the year ending 31 March 2022:
  - a. The council approve the Annual Governance Statement (Section 1 of the Annual Return) and that this be signed by the Mayor and Town Clerk on behalf of the Council.
  - b. The Council approve the Accounting Statements (Section 2 of the Annual Return), and this be signed by the Mayor on behalf of the Council
  - c. The Council note the Annual Internal Audit Report section of the Annual Return
  - d. The Council note the dates for the exercise of public rights commencing on 15 June 2022 and ending on 26 July 2022.

#### 21 JOHNSON BIRTHPLACE ADVISORY COMMITTEE

Members considered the minutes of the JBAC meeting held on 26 April 2022.

**RESOLVED:** That the Minutes of the Johnson Birthplace Advisory Committee meeting held on 26 April 2022 be adopted.

#### 22 SHERIFF'S RIDE WORKING PARTY

Members considered the minutes of the SRWP meeting held on 24 May 2022, which included suggested outcomes following the presentation on the future of the Ride by Townhouse Communications Ltd. In proposing the Minutes, CIIr A Smith gave an overview of the Working Party's progress to date and confirmed the four options that were under consideration; to abandon the Ride, continue with the reduced Ride held during COVID and also agreed for 2022, continue with the 'full' Ride with LCC funding, or to investigate options for reimagining the Ride for the 21<sup>st</sup> century with a view to attracting grant funding/sponsorship as a result. The minutes of the meeting confirmed the Working Party's preferred route was to seek external funding to repurpose the Ride, but in the event that external funding is not available, the reduced Ride as held during COVID was the preferred alternative - further significant direct funding from LCC was not considered appropriate.

Councillor C Ball proposed an amendment, citing recent communications with HS2 which indicate funding would be unlikely, and potential legal obstacles to the Council bidding directly into potential funding pots. The amendment proposed was to continue with the reduced Ride held during COVID for all future years in order to save costs and officer/member time in pursuing funding that may not be available. Cllr Robertson seconded the proposal.

Councillor C Greatorex spoke against the amendment, stating that as 'the City of festivals' the City Council should do all it could to maintain the spectacle of the Ride, to encourage local business involvement and to attract sponsorship, with 2023 being the 'rebirth' of the Ride.

Councillor A Lax asked Cllr Ball to consider withdrawing the amendment, with Cllr Ball offering to amend the proposal to allow it to be referred back to the Working Party.

Councillor A Smith stated that it was too early to admit defeat, the initial response from HS2 seemingly being a somewhat standard reply with further discussion necessary to establish the exact position and for the Working Party to reconvene once definitive answers and timescales were available.

Councillor J Smith stated that the minutes of the meeting were correct and that the proposed amendment had no basis.

Councillor D Robertson stated that the reduced Ride would save a considerable sum and should be the preferred way forward.

On being put to the vote, the amendment was declared lost (five members voting in favour of the amendment). The original motion was then voted upon and it was:

RESOLVED: That the Minutes of the SRWP meeting held on 24 May 2022 be adopted.

#### 24 ANNUAL TOWN MEETING

Members considered the Minutes of the Annual Town Meeting held on 25 May 2022.

RESOLVED: That the Minutes of the Annual Town Meeting held on 25 May 2022 be noted.

#### 25 GENDER NEUTRAL TITLES

Members considered the agenda report regarding the use of gender-neutral titles for Council business, but the retention of traditional forms of civic address.

Councillor M Trent welcomed the proposal, stating that on being elected a Councillor in 2019, one of his first discussions with the Town Clerk related to the manner in which Councillors were addressed. While appreciating the argument for individual choice that has been in place at LCC since 2018, Cllr Trent stated that, in a wider sense, terminology matters and that opinions formed by residents as to the manner in which Councillors are addressed would assist in showing LCC to be a forward-thinking Council and may also play a small role is encouraging residents to become Councillors themselves.

Councillor G Boyle stated she felt it was a retrograde step, notably replacing Chairman with 'Chair'.

Councillor D Robertson stated this was an unobjectionable change and a positive step for LCC.

## **RESOLVED:** That gender neutral titles be utilised for City Council business, with the exception of traditional civic address.

#### 26 OFFICERS' REPORT

Councillor C Greatorex spoke about the proposed plaque for Francis Barber, and the high number of visitors to the Guildhall prison cells. Councillor Greatorex also welcomed the repainting of the lines/signage on the cycle path/footway at Nether Stowe, and the chainsaw carving of an owl from the remaining trunk of a felled tree at the Borrowcop Gazebo, asking whether the carving could be stained and protected from possible vandalism. Finally, Cllr Greatorex welcomed the report into the condition of trees on the 'closed' Churchyard at St Michaels which is maintained by the City Council.

Councillor J Eagland highlighted the work carried out at Boley Park Community Hall, with new front and rear doors/screens and internal blinds. Cllr Eagland stated that an excellent standard of work was evident and that users were enjoying the improved facilities.

Councillor D Robertson also referred to the chainsaw carving of an owl at Borrowcop, asking whether the carved books on which the owl sits could be named, perhaps in honour of famous local literary figures.

The Mayor added that the Jubilee Market along Pool Walk was well attended and the event a success. The Mayor stated that both he and the Markets Officer were keen to increase the use of this area for Markets in the future.

RESOLVED: That the report be noted.

#### 27 PAYMENT OF REGULAR SERVICE PROVISION BY DIRECT DEBIT

Members considered the current list of Direct Debits, together with a new proposed Direct Debit to Opayo for the rental of LCC card machines and the fees associated with those machines.

RESOLVED: That the City Council renews its resolution to enter into direct debit payment arrangements with those providers listed in the agenda report; the resolution to be considered for further renewal at the meeting of the City Council in June 2023.

#### 28 GRANT REQUEST - USE OF CORRIDOR GALLERY, FRIENDS2FRIENDS

Members considered a request from 2021/22 Sheriff Mr Peter Hitchman that a grant be given to the value of £30 to Friends2Friends for the use of the Guildhall Corridor Gallery as part of

their 10<sup>th</sup> anniversary celebrations, thereby allowing those monies to be reinvested in the charitable aims of Friends2Friends.

[At its meeting of 5 February 2009, the City Council resolved that no further 'free use' of the Guildhall be granted and that all applicants apply for a monetary grant to cover the prevailing hire costs instead]

**RESOLVED:** That a grant in the sum of £30 be awarded to Friends2Friends.

#### 29 PAYMENT OF ACCOUNTS

**RESOLVED:** That payment of accounts be approved and confirmed for the period 1 March 2022 to 31 March 2022 in the sum of £127,348.44 General Account and £672.20 Imprest Account.

#### 1. DECLARATIONS OF INTEREST AND REQUESTS FOR DISPENSATION

Councillor M Warfield declared an interest at Agenda item 7 as he is a Trustee and the Management Committee Chair of Boley Park Community Hall [both positions appointed by Council]

#### 2. MINUTES

RESOLVED: That the minutes of the NPIWP meeting held on 11 April 2022 be confirmed as a correct record (Minutes adopted by Council on 20 April 2022).

#### 3. MATTERS ARISING

#### Stowe Pool lighting.

The Deputy Town clerk updated members on the provision of two lighting columns to illuminate the foot bridge from the cross keys car park to Stowe Pool.

Quotations have been received for the cost of both solar powered lights and LED Lights. Members noted that although solar lights would be a greener alternative the light would be insufficient in winter months (as has been proven on Open Space 26c) and the battery would need replacing after 5 years. LED lighting however has proved a successful replacement on all other City Council lighting columns and has a lifespan of 25 years.

Councillor Trent welcomed the initiative and asked that it be added to the action plan at Enclosure 1. The Deputy Town Clerk is asked to progress the matter on the basis of LED lighting being installed, determine any costs regarding supply and liaise with District Council officers, with further reports to NPIWP in due course.

#### Crossing/Footpath to Sports Club on Eastern Avenue

The Deputy Town Clerk confirmed that SCC Highways had been contacted to determine if there were any plans to install a further crossing to the Sports Club on Eastern Avenue. SCC could not confirm if this was one of their ongoing projects on Eastern Avenue but would report back with a definitive answer in due course.

#### Dr Milley's – Window Improvements.

Councillor Boyle reported that District Council Officers had confirmed that improvements to Dr Milley's windows was not an appropriate CIL spend.

#### Shaw Lane/Beacon St Junction - mirror to improve visibility

The Deputy Town Clerk informed members that a request has been made to SCC Highways and an answer is awaited.

#### New Cycle signage around Stowe Pool

Members noted that this was being progressed by LDC and that the Town Clerk had attended the LDC Sounding Board meetings however no time frame has been given.

#### 4. CIL MONIES RECEIVED, COMMITTED AND FORECAST

Members considered CIL commitments, balances and forecast as detailed at Agenda Appendix 1. Councillor Ball commented that given the considerable amount of CIL monies yet to be allocated members may wish to put forward suggestions for larger projects which would have more strategic impact. Members are asked to submit Agenda items before the next meeting in November.

#### RESOLVED: That the update be noted.

#### 5. CITY CENTRE PLAQUES

Members considered the agenda report which provided an update on this project, including the progress made on the latest batch of plaques.

#### RESOLVED: That the update be noted.

#### 6. FRANCIS BARBER/ANNA SEWARD PLAQUES

Members considered the Museum & Heritage Officer's agenda report which provided an update on the Barber/Seward plaques, and costings from two companies plus example plaque styles and asked that thanks be passed on to the MHO for progressing this project.

#### RESOLVED:

- 1. That the report be noted
- 2. That the NPIWP's preference is for a style of plaque as shown in the 'Nell Gwynne' example provided in the agenda report [available to all members on request to the Deputy Town Clerk]

**RECOMMENDATION TO COUNCIL:** That £1,300 of CIL be allocated to cover the supply of both the Anna Seward and Francis Barber Plaques.

#### 7. CIL ALLOCATION UPDATES

Members considered the agenda report, giving updates on the installation of new doors and surrounding screens at Boley Park Community Hall, additional 20MPH signs in Curborough, the allocation to the Lichfield Waterworks Trust and also to LHCRT. Councillor Ball commended officers for progressing these projects and commented that the new doors at Boley Hall were a huge improvement.

**RESOLVED:** That the report be noted.

#### 8. ACTION PLAN UPDATE

The Working Party considered the action plan; the updated document is included at **ENCLOSURE 1** to these Minutes.

RESOLVED: That the update be noted.

#### For Council: 25 July 2022 APPENDIX 3

#### COMMUNITY GOVERNANCE REVIEW

Members will be aware of the ongoing Community Governance Review (CGR) being carried out by Lichfield District Council. When the initial CGR consultation exercise took place the matter was brought before the City Council, and at its meeting of 14 March 2022 Council resolved as follows:

**RESOLVED:** Delegated authority be given to the Town Clerk to respond to the CGR consultation in the name of the City Council. The response to reflect:

a) The view expressed by Council over the past several years - that Garrick Road ward should be incorporated into Chadsmead, Burton Old Road ward into Stowe and Pentire Road ward into Boley Park, thereby creating coterminous parish and district boundaries.

b) The City Council would support Streethay Ward becoming part of the Lichfield City Parish, but any decision to drive this proposal should be initially subject to the view of Streethay residents.

c) When assessing future options, LDC is asked to have regard to the current unequal allocation of councillors which results in a significant variation in the ratio of electors to councillors across LCC wards.

### d) To confirm the Council's desire for the recommendations of the review to be implemented in time for the 2023 local elections.

On 20 June 2022, Lichfield District Council's Regulatory and Licensing Committee considered a report that set out the key issues identified in the review and provided draft recommendations. This report was circulated to all LCC members on 28 June 2022. In brief, the recommendations were:

- Garrick Road Ward to be incorporated into Chadsmead Ward. Chadsmead Ward to comprise 4 Councillors (825 electors per Councillor)
- Burton Old Road Ward be incorporated into Stowe Ward. Stowe Ward to comprise 5 Councillors (985 electors per Councillor)
- Pentire Road Ward be incorporated into Boley Park Ward. Boley Park Ward to comprise 4 Councillors (849 electors per Councillor)
- To address the uneven distribution of Councillors, ranging from 302 electors per Councillor to 1,124 electors per Councillor currently, it is proposed that following the merger of Garrick Road with Chadsmead the representation of the new Chadsmead Ward should remain at 4 Councillors. This will mean electors per Councillor in Lichfield City will reduce in range from the current 302:1 1124:1, to the proposed 782:1 1124:1. This results in the loss of one City Councillor taking the total from 28 to 27.

The proposals address one of the City Council's key requests, namely the creation of coterminous District and City Wards, and address to some degree the City Council's concern as to uneven distribution of Councillors. The matter of Streethay is discussed separately in this report. The proposals are subject to a second consultation to which the City Council is now asked to respond.

#### **Councillor to Elector Ratio**

Though the report was passed at Regulatory and Licensing Committee, criticism emerged – led by Cllr D Robertson - prior to discussion at LDC full council in regard to the proposed arrangements for Lichfield City and the remaining variation in the ratio of electors per Councillor across wards. Though the report recommendations bettered the current position, some concerns were highlighted including Curborough

having more electors but less Councillors than Chadsmead, and the 'Democratic deficit' of the allocations of Councillors in Leomansley. Members are asked to note at this point that the Association of Electoral Administrators guidance states:

"There is no requirement in legislation that the number of councillors should be proportional to electorate size; indeed, the ratio of electors to councillors is likely to vary considerably within a principal council's area. A number of issues will impact on this: urban-rural differentials, traditional scales of representation, the administrative workload of a parish as reflected in its precept, and imbalances to support grouping or warding arrangements."

Possible amendments to the original LDC report recommendation as listed below were discussed at LDC full Council on 12 July (proposed by Cllr D Robertson); these proposals accept the combining of the single member wards to create coterminous boundaries but focus on the aforementioned elector to councillor ratio. The numbers in brackets represent movement in the number of Councillors, with no overall change from the current 28:

- Boley Park incorporating Pentire Road: 4 Councillors (0)
- Chadsmead incorporating Garrick Road: 4 Councillors (-1)
- Curborough: 4 Councillors (+1)
- Leomansley: 6 councillors (+1)
- St John's: 5 Councillors (-1)
- Stowe incorporating Burton Old Road: 5 Councillors (0)

This is presented as 'Option B' in the table below, together with a summary of the current situation and that as originally proposed in LDC's CGR report (Option A). The highest and lowest elector to Councillor ratio is highlighted in each case.

Ward	Electors per Councillor: Current	Electors per Councillor Option A: Original LDC Report Recommendation	Electors per Councillor Option B: Amendments as set out above to reduce Elector/Cllr ratio spread
Boley Park	967	850	850
Burton Old Road	860	Incorporated into Stowe	Incorporated into Stowe
Chadsmead	750	825	825
Curborough	1,114	1,114	835
Garrick Road	302	Incorporated into Chadsmead	Incorporated into Chadsmead
Leomansley	1,124	1,124	937
Pentire Road	497	Incorporated into Boley Park	Incorporated into Boley Park
St Johns	782	782	939 (5 Cllrs) / 782 (6 Cllrs)*
Stowe	1,017	985	985

\*A Community Governance Review should have regard to short to medium term outcomes, the retention of six Councillors in St John's is therefore included in this table for consideration but was not part of the recommendation discussed at LDC full Council. This would generate the lowest current elector to Councillor ratio but would be expected to increase in the short term due to ongoing development. This arrangement would however increase the overall number of Councillors by one, from 28 to 29. NALC recommends that a Parish Council should have no more than 25 Councillors.

When discussed at LDC full council, the proposal to amend the original report (effectively to remove Option A in the table above and replace it with Option B) was lost, but an amendment proposed by Cllr Pullen that this arrangement be included in the consultation document *alongside* the original report

recommendation was carried. At the time of compiling this report the consultation document from LDC is awaited.

#### Streethay

The City Council supported the inclusion of Streethay as an additional LCC ward but was very clear that such a proposal – and LCC's support for it - was dependent on the views of residents.

The CGR report previously circulated refers to and includes at Appendix D 'a number of submissions' received in favour of splitting Fradley and Streethay Parish to create two distinct parishes, with one centred on Fradley and the other on Streethay. There is little support evident for Streethay becoming an LCC ward.

The report states the proposal to split the Parishes in this manner is consistent with the objective of promoting community cohesion and has local support, not least from the current Parish Council.

The report also notes the consideration of Streethay becoming a City Council ward but given local support for the alternative outlined above and the fact that the current size of the City Council exceeds the stated NALC guidance of 25 Councillors, this was not considered appropriate.

#### **Next Stages and Timeline**

The recommendations will be circulated for further consultation until the end of September 2022. Final recommendations are due to be submitted to the District Council in October 2022 with the outcomes published by December 2022.

#### **RECOMMENDED:**

- a) The City Council to outline its response to the forthcoming second-round consultation, notably:
  - To support the proposal to incorporate single member wards as set out in the report (reflecting the view previously expressed by Council)
  - To establish a City Council preference on the ratio of electors to Councillors as set out in the report table as 'Option A' <u>or</u> 'option B' <u>or</u> a third alternative
  - If Option B is preferred, Council to express its view as to whether there should be five <u>or</u> six Councillors for St John's Ward
  - Any other matters
- b) Delegated authority be given to the Town Clerk to submit the consultation response in the name of the City Council.

#### **OFFICERS' INFORMATION REPORT**

#### 1. Civic Matters: Harriet Chatwin, Civic Officer

The Mayor & Sheriff had the pleasure of attending the Staffordshire Lieutenancy Platinum Jubilee Garden Party at the Stafford County Showground on Wednesday 1 June – the day before the 4-day Jubilee weekend celebrations to celebrate Her Majesty's 70-year reign. The 500 nominees enjoyed a parade from the marquee to the main arena before being presented with a certificate, photographs and afternoon tea following on shortly afterwards.

The annual Court of Arraye took place at the Guildhall on Saturday 4 June to coincide with the Platinum Jubilee Bank Holiday weekend following a three-year hiatus due to the pandemic.

Those present included The Lord of the Manor - Mayor of Lichfield Cllr Jamie Checkland, Deputy Mayor Cllr Paul Jones, The Sheriff Cllr Janice Greaves, High Constables Jane Dayus-Hinch and Denise Gwilt, plus the Dozeners and Men at Arms.

The seven Dozeners entertained the audience with their comical and topical comments in their annual report of their area of responsibility within the City.

With help from the 7<sup>th</sup> Lichfield Scout Group, the Men at Arms undertook the duty of delivering the Dozeners reports with help from the High Constables.

Once the Court was adjourned, Councillor David Salter gave a Toast to the Success of the Bower before those present assembled outside the Guildhall in readiness for the Bower procession to arrive.

This year's Bower Queen, Judy Hammersley, and her ambassadors were then crowned by the Mayor before the procession continued along the traditional route around the City. The Mayor led the Lichfield City Council team in the annual Swinfen Broun Challenge Trophy bowls match against the Lichfield Museum Bowling Club on Wednesday 22 June. Despite the best efforts of the City Council team, the Bowling Club took the trophy once again with a score of 98 to 48.

After Covid restrictions last year, everyone was very pleased to return to the usual format of this much loved, traditional event.

After the match the Mayor handed the trophy to the Club President Mr Fred Perry and thanked everyone for taking part and supporting the event.

Players then retired to the Hub for a light supper prepared by members of the Bowling Club. The Mayor concluded the evening by drawing the raffle which raised a total of £135.00 for the Museum's Bowling Club's charity fun day. We look forward to Wednesday June 21 2023 for a rematch.

Preparations remain ongoing for various civic and charity events including Mayoress at Home on Saturday 23 July and the first civic charity event of the year - Beer & Skittles – on Friday 12 August, plus the Sheriff's Banquet on 10 September and Johnson's Birthday celebrations on 17 September.

#### 2. Samuel Johnson Birthplace Museum: Jo Wilson, Museums and Heritage Officer

A scaffold was installed at the Samuel Johnson Birthplace Museum in June and exterior repair and redecoration works are underway. On Friday 10 June, a protective barrier was put into position, ahead of the scaffold build from Sunday 12 June.

The Museum was closed to the public until Friday 17 June to safely construct the Market Street section of the structure, which is self-supporting to ensure that nothing is attached to the Grade I listed building. The work is scheduled to be completed within 8 weeks and the Museum will be accessible to the public as normal throughout. At the time of writing, the results of a structural investigation into areas of concern were awaited, these outcomes may lead to an extension of the timescales stated above.

Events at the Museum originally planned for June were rescheduled to enable work to go ahead,

however the regular groups such as Latin Learners, Writing Group and Birthplace Bookworms have been unaffected, with some sessions moving to Lichfield Guildhall during closure.

Prior to the exterior work commencing, events included an author event with Tom Nancollas on Sunday 29 May, promoting his recent book 'The Ship Asunder' in a special event with a talk on

seafaring in Johnson's Dictionary and a performance of sea shanties by Lichfield Lighthouse Company, as part of the author's walk from the Welsh coast to raise funds for the RNLI. The Jubilee was marked with а special bookshop window display and self-guided creative family activities available in the house over the half term holiday.

Charnwood School attended a guided educational visit at the Museum on Wednesday 8 June and an evening Outreach talk was delivered to Burntwood Chase Heritage Group on Tuesday 7 June.

Visitor numbers at the Birthplace in June totalled 1091, with a busy half term week of 428 visitors. Direct online engagement with the Museum in June numbered 1477, with a further social media reach of 5605. The Old Guildhall Prison Cells, which the Birthplace Officer team oversee, welcomed 327 visitors in June.

The Birthplace has received excellent publicity, with a dedicated article titled 'Wit, wisdom and better than Wordle: why you should visit Dr Johnson's Birthplace Museum' appearing on Saturday 25 June. In addition, journalists were welcomed to the Museum from National Geographic, as part of a visit organised by 'Enjoy Staffordshire', and Travel Life Magazine. Herefordshire based Buddhist centre 'Urgyen House' filmed at the Museum for a video blog post.

Recent Officer work has focussed on managing the day-to-day operation of the Museum around the exterior works, including liaison with owners of neighbouring properties. Other work has included the historic city plaque project, including liaison with LDC's Principal Conservation and Design Officer to identify a location for a forthcoming plaque for Francis Barber, and meeting with the Chair of Dr Johnson's House in London to discuss development projects. Work towards establishing disabled access continues, including further correspondence with SCC Officers.

Museum Support Officer projects have included: preparation for forthcoming 'Summer Fun' events including setting up online booking in addition to in-person and telephone bookings; arrangements for Johnson's Birthday celebrations in September; supporting Guildhall Cells volunteers, and coordinating Bookworms, including arranging sponsorship for the rest of the year's book purchases.

Several research enquiries were handled including an opportunity to participate in a University of Birmingham-led project titled 'Material Identities, Social Bodies: Embodiment in British Letters c.1680-1820' which will feature a Francis Barber letter from the Birthplace Collection in a forthcoming article.

Museum Attendant staff completed online first aid training, and the replacement Museum Attendant post was advertised, for which interviews were scheduled for 19 July.

#### 3. Open Spaces and Tree Management: Nigel Boden, Open Spaces Officer

Lichfield Cathedral looked beautiful lit in red, white and blue to celebrate the Queen's Platinum Jubilee on 2 June 2022 in unison with 1,500 other locations across the UK and Commonwealth. The City Council provided assistance in the commemorations, notably the provision of the beacon and organisational support.

Bells were rung to start the proceedings followed by an official announcement from the Town Crier and a performance of The Song of the Commonwealth by the Lichfield Cathedral Jubilee Choir. A Piper played 'Diu Regnare' a unique tune written for the occasion by Major Stuart Liddle and a Bugler announced the lighting of the beacon with a special bugle call entitled 'Majesty'. At 8.45

pm the Bishop of Lichfield, The Right Reverend Dr Michael Ipgrave OBE lit the beacon to the delight of the crowd.

Festival Gardens is now starting to bloom which will give a splendid display of colour around the perimeter and increase biodiversity. This is the first sowing year in this area, and we look forward to a stronger showing of flowers as each year goes by, as is evidenced by the bund at Nether Stowe.

Several other projects have been progressed since the last report including:

- Several wooden slatted benches across Lichfield City have been rubbed down, restained and varnished as part of a regular maintenance programme. Locations include Library Corner, Friary Remains, Heather Gardens and the Remembrance Gardens. A further two benches are still to be refurbished at the time of preparing this report
- Following the site-wide tree report at the 'closed' Churchyard at St Michaels, the recommended tree work has been agreed, split into four phases, and progressed. Phase three is being undertaken at the time of preparing this report, with the fourth and final phase due to be completed later in the Summer. The work has been received very

positively by St Michael's representatives, and the thanks of the Open Spaces Officer for their assistance and advice is duly recorded here

 Tree/hedge reduction work to open space 17c (Ash Grove), notably the trees along the perimeter of the site at Mulberry Drive. This work is due to be undertaken shortly after the deadline for this report

- A professional inspection of an Ash tree on Open Space 26b (adjacent to Gallows Wharf) has revealed that the canopy is suffering from Ash Sawfly. Recommend action includes removal of large deadwood, pruning back overbearing branches also the branches in the upper canopy to reduce the likelihood of branch failure. The tree will need to be monitored annually following this work, which is scheduled for later in the summer.
- Following reports of damage to the matting at the play area at Curborough Community Centre, this has now been professionally repaired
- Open Space 11d (Johnson Close/Fecknam Way removal of dead wood and overhanging branches, to be progressed in late summer following application to LDC's Arboricultural Officer.
- A failing Cherry tree in Festival Gardens is scheduled to be removed following discussions with the Arboricultural Officer. At the same time, some other minor tree work will be undertaken in line with professional recommendation.

#### 4. Markets: Hayley Howen, Markets Officer

#### Jubilee Market 2022

The Jubilee event was very successful and enjoyed by Traders and the general public over the holiday period.

The event was at full capacity across its four days, beginning with the specially created Market on Thursday and concluding with the Producers' Market coinciding on Sunday. The Friday and Markets Saturdav were relocated from the Square as a result of the traditional Bower Fair on the Square.

The event was supported by CJ's Events Warwickshire who allowed the City Council to use their stalls for the Markets. The stalls were delivered on Wednesday evening in readiness for the early start on Thursday.

The Thursday Market began on a Sunny day, with the

arrival of the Traders bright and early but to ensure residents of Dam Street were not woken, access via Reeve Lane was arranged with LDC beforehand. The car park behind B & M was occupied by the Funfair, greatly restricting the ability of traders to unload their vehicles. This was mitigated by staggered arrival times, with all traders set up and stalls dressed by 9am. Stall holders all made great effort to dress their stalls in the spirit of the event.

We then welcomed Holly Rolfe, a delightful singer to open the Jubilee. She filled the air with 50s songs that were perfect for the event. We are very grateful for Holly giving up her time to attend.

The Mayor, Councillor Jamie Checkland attended to judge the best dressed stall. The Mayor spoke to all stallholders and after careful consideration the prize was awarded to Toniea with her wax union jack melts and dressed stall.

This event proved to be popular with the Traders, and though they were all aware this was a special event across a special weekend with footfall higher as a result, the location beside Pool Walk and the ambience created has led to further interest from Traders wishing to stand in this location in the future.

#### Social Media

Social Media is used to good effect for all markets, but notably the Jubilee event. The traders also interacted on their pages and promoted the market throughout. Tweets were retweeted on several occasions and the go live function on Facebook reached over 2000 people.

#### Tuesday Market

The Tuesday market is now left with 1 small pitch and a double pitch to rent. We have many enquires and a portfolio of traders following the Jubilee event that we may fill weekly with casual traders over the summer period. We have had several applications from traders selling duplicate goods to those already available, those traders have been placed on a waiting list. 'Justin in Time Coffee' joined us in July for a trial period which is a most welcome addition to the market.

#### Friday Market

After 'Cheshire Pies' joined us last month, the Friday market now only has two pitches available, with casual traders often filling the space. As trader and consumer confidence grows, we seem to be attracting different stalls that will bring vibrance to the Square.

#### Saturday Market

'The Little Baker' is now back from an enforced absence and has had a lovely two weeks settling back in with her fellow traders. The market on a Saturday is almost always at capacity and is still the most attended market.

#### The Producers' Market

The Producers' Market is very popular in Lichfield and is well attended. The last market saw a full capacity of 30 traders with stalls varying from natural dog treats to silver jewellery. There were also various food stalls, upon speaking to the Traders the day was excellent and they enjoy the monthly event.

#### Market Square Bookings - Non-Market Days

Non-Market days sees Ian Newey with his eco-friendly ice cream van and John Madden with his chip van regularly trading on the Square. The ice cream van was also present at the Jubilee Market. There are also plans for the Ice Cream Van and The Spiritualist to trade along Pool Walk over the Summer months.

Replacement litter bins were installed on the Square on 6 July.

#### 5. Guildhall/Boley Park Community Hall: Helen Winter, Guildhall Bookings Officer

We have had our regular hirers during the past month, and 8 other meetings in various rooms in the Guildhall. We currently have availability for bookings in different sized rooms during the week. Please contact the Booking Officer for further details.

The Dementia Café moved to the George Hotel during Jubilee week due to their success/increasing numbers (and no longer fitting in the Guildroom). Unfortunately, the main hall was not available for them due to a regular hirer already occupying that timeslot.

The Bower Committee held their Regular Model Fair exhibition in the Guildroom prior to Bower Day. A Corridor Gallery display/sale was also held on Bower Day. The ancient Court of Arraye in the Guildhall preceded the Bower procession around Lichfield.

A leather (handbag) sale is being held in the Guildroom on Saturday 27 August and Sunday 28 August. This is their first booking since lockdown and will hopefully prove as successful as in previous years; these events are always extremely popular with excellent items for sale at good prices.

We have had 2 market research bookings in the Guildroom. Private bookings include a 50<sup>th</sup>/60<sup>th</sup> Birthday Party, two Wedding ceremonies and two Receptions. There are several enquiries coming in for weddings next year.

South Staffs College in association with Lichfield Arts held a Fashion Show of students work in June. The college's Media Department also held their annual Film Show, showcasing students work.

Commercial bookings include a company away day attended by approximately 140 people across two sessions and proved very successful. HS2 have also held a public information session in the Guildhall.

The Old Prison Cells are open from April - October on Saturdays between 10.00am - 4.00pm (unless there are whole building bookings). We have also had 8 Tourist Information Cell Tours in recent weeks.

We are currently recruiting Casual Premises Attendants. Anyone who is interested, please contact the City Council.

#### **Boley Park Community Hall**

The Hall continues to be popular for children's birthday parties (as well as regular bookings). An order has been placed for a new notice board at the front of the building. The curtain rails – which are no longer required due to blinds and translucent window film - have been removed from above the windows inside the hall. HS2 are hosting two information sessions for local residents - Monday 11 July 2.30pm – 5.30pm and Tuesday 19 July 4pm – 6pm.

#### 6. Twinning: Gabriele Lasch-Burden, Twinning Officer

A new date has been set by the Limburg City Council for the thrice cancelled international Twinning celebrations. The festivities are now scheduled to take place in Limburg from 9 to 12 June 2023. Up to 100 people from each of Limburg's twin cities (Lichfield, UK – St. Foy, France – Oudenburg, Belgium) are invited to take part in the weekend celebrations. It is open to all Lichfield residents. Accommodation will be free with host families or participants can choose their own hotel accommodation. Each participant pays for their own transport costs.

This year we are celebrating 30 years of the official signing of the ring twinning agreement between Lichfield, Limburg, and Ste. Foy, by the then Mayor Ann Johnson on 26th September 1992.

The yearly one-week internship of a Limburg Council public office apprentice will restart this autumn, after a 2-year break due to the pandemic. The German apprentice will spend a week in various public offices in Lichfield from 24th to 28th October of this year. The aim is to learn about the differences in administration between Limburg and Lichfield. A programme is being put together for the German visitor and if anybody would like to offer some insight into their work, please contact the Twinning Officer. The more varied the programme is, the more meaningful an experience will be had by the apprentice. The apprentice will be accommodated by a family from the Lichfield Twinning Association.

The PPC High School in Limburg would like to start a yearly work placement scheme for their economics A-level students in Lichfield. They managed to secure funding from the European Erasmus+ student foreign experience grants scheme to one non-EU country, like the UK. They are looking to place one student each September/October in a Lichfield business (office based) for 2 weeks, to gain industry experience and improve their command of the English language. Companies in Lichfield are now being contacted to see whether anyone could offer to host a Limburg student. Anybody with suggestions of possible businesses who might be interested, please contact the Twinning Officer. There are no restrictions on which sector of business. The ideal location would be within or close to Lichfield city centre, due to accessibility by foot or public transport.

A family from Lichfield contacted Lichfield City Council as they wished to holiday in our twin town of Limburg this summer and were put in touch with the Limburg Twinning Association. The Chair of the Limburg Twinning Association has offered to put on a tour around their city and help to organise various other trips to sights of interest.

The Mayor of Limburg/Germany, Dr. Marius Hahn, has helped to install the first of many new Twinning signs around their city (pictured).

#### 7. Deputy Town Clerk: Sarah Thomas

The Deputy Town Clerk continues to train the Civic Officer and recently attended the Court of Arraye in June however will be taking more of a behind the scenes supportive role from July. Officers from other departments have also been supported during the busy summer/annual leave period.

Applications are being processed for the post of Office Administrator and the Deputy will be assisting the Town Clerk in the selection and interview process.

Currently the Deputy is pursuing several lines of enquiry raised by members of the Neighbourhood Plan Implementation Working Party and Sheriff's Ride Working Party and will be providing secretariat support at the forthcoming NPIWP, MWG as well as deputising for the Town Clerk at the July Council meeting.
