To receive the Officers' Report, **APPENDIX 6** attached.

RECOMMENDED: That the Report be noted.

15 PAYMENT OF REGULAR SERVICE PROVISION BY DIRECT DEBIT

At its meeting of 28 January 2018, the City Council resolved to enter into direct debit payments with certain suppliers. It is a requirement that the resolution is renewed after a maximum of two years, however it was resolved by the Council, again at its meeting of 28 January 2018, that the resolution be considered annually.

The current Direct Debit schedule is attached at **APPENDIX 7**. There is one addition to the schedule - Justice Security, who provide the maintenance and monitoring services for a number of fire and intruder alarms installed at LCC owned buildings. Additionally, the list also includes 2 new direct debits where DD authority is in place with that supplier, but are added for completeness; these are LDC for refuse bins and Npower for the meter operator service. The changes are highlighted in yellow at appendix 7.

The Town Clerk has confirmed with the Internal Auditor that the list of Direct Debits should be presented to Council individually (as at Appendix 7), rather than being categorised under various headings such as (for example) 'energy'. Certain regular payments do not appear in this list, such as payments to SCC Pensions and HMRC, as these are paid via BACS rather than Direct Debit.

RECOMMENDED: That the City Council notes the addition of Justice Security to the direct debit schedule and renews its resolution to enter into direct debit payment arrangements with those providers listed at APPENDIX 7; the resolution to be considered for further renewal at the meeting of the City Council in June 2024.

16 DISPENSATIONS

To consider the Town Clerk's report at **APPENDIX 8**. Members are asked to note that similar recommendations were adopted by this council for the electoral period 2019 – 2023 at its meeting of 17 June 2019.

Should the recommendations be adopted, members wishing to apply for a dispensation should complete the application form **ENCLOSED**. Additional copies of the application form will be available at the council meeting.

RECOMMENDED:

a) That subject to a member submitting a written application, the Council grant a dispensation for the period up to the next full Council elections in 2023 permitting any member who is 'dual-hatted' by virtue of their membership of Lichfield District

Council and Lichfield City Council, to speak and vote on any matter relating to their District Council membership.

b) That, subject to the member submitting a written application, the Council grant a dispensation for the period up to the next full Council elections in 2027 permitting any member to vote on any matters relating to the affairs of a body onto which they have been appointed or nominated by the Council.

17 CURBOROUGH COMMUNITY ASSOCIATION

Curborough Community Association manage both Curborough Community Centre and Cruck House on behalf of the Council. At the AGM on 11 March, the Association Chair James Flintham, and Treasurer Joanne Grange, stepped down from their respective roles after several years' service. During their tenure, there has been a significant transformation of CCA, led by the senior members of the Association, and Council is asked to recognise these efforts. A new Chair has been appointed, existing Trustee Paula Knight, with Lilas Rawling appointed as Deputy Chair. James Flintham has agreed to cover the role of Secretary in the meantime and will remain as a representative Trustee of Lichfield Re:Cycle.

All roles on the Management Committee are voluntary, and as members are aware, it can be very difficult to find willing volunteers to fulfil what can be demanding and timeconsuming positions. City Council officers will continue to support the Committee in their activities.

RECOMMENDED:

- a) The Council to note the changes to the officer structure of Curborough Community Association
- b) The best thanks of the Council be given to James Flintham and Joanne Grange for their dedicated service to CCA and to Curborough Community Centre in the roles of Chair and Treasurer respectively.

18 PROVISION OF REPLICA CIVIC BADGES OF OFFICE

For many years the City Council has provided replica badges of office to the retiring Mayor, Sheriff and their respective consorts (if any). The cost of such provision for 2022/23 was £2580.94+VAT. In consideration of this expense for future years, the controlling group has suggested that provision of replica badges of office should be reduced and encompass the retiring Mayor and Sheriff only (i.e. excluding consorts). Based on previous costs, and dependent upon whether incumbent civics have consorts who would ordinarily receive a replica, the savings to the council could be in the region of £1,300.

The opportunity for consorts to acquire a replica badge of office via the city council, and to receive it formally at Annual Council, would remain. However, the provision of such a replica would need to be funded personally, and not via (for example) the Mayor or Sheriff's allowance.

Council is asked to resolve formally on this matter.

RECOMMENDED: Council to decide whether or not it wishes to reduce the provision of replica badges of office to include the Mayor and Sheriff only, thereby removing the current similar provision for the Mayor and Sheriff's consorts.

19 AMENDMENT TO CALENDAR OF MEETINGS

Council is asked to approve an amendment to the adopted calendar of meetings, rescheduling the meeting due to take place on 26 September 2023 to Wednesday 4 October 2023. Due to a previously arranged booking in the Guildhall taking place over on 25 and 26 September and requiring a significant amount of equipment to be left in the Guildhall overnight. At the time of preparing this report, the proposed amendment does not conflict with any meetings in the District Council's calendar.

RECOMMENDED: That the meeting of Council scheduled to take place on Tuesday 26 September 2023 be rescheduled to Wednesday 4 October 2023. The time of the meeting remaining unchanged (6.30pm).

20 PAYMENT OF ACCOUNTS

To confirm payment of accounts as listed in **APPENDIX 9** for the period 1 March 2023 to 31 March 2023 in the sum of £124,005.22 General Account, and £1,053.40 Imprest Account.

LICHFIELD CITY COUNCIL FINANCIAL OUT-TURN REPORT 2022/23

The following notes explain the variations between the original budget and the actual year-end out-turn as detailed in the Accounts Summary Table which follows

Noto	Details
,	<u>Details</u>
1	Parks and Footpaths Increase in pathway lighting costs, inflation linked Grounds Maintenance contract with LDC increased 7.8% for 22/23 against a 4% budget. Significant work undertaken at a number of LCC owned/managed open spaces that will pay dividends in coming years. Increased overspend against eight month forecast figure due mainly to the timing of the pathway repairs to Heather Gardens and the installation of bollards opposite St Chads; both projects intended for 23/24 but contractor availability allowed them to be brought forward.
2	Guildhall
	Includes the increase in energy costs offset by increase in Guildhall Income.
3	Community Centres
	Relatively low overall spend against budget, due in part to capital works to improve the buildings.
4	Markets
	Includes the increase in energy cost net of the increased charge to traders. Approx £3,500 in repairs to the kitchen/toilet block delayed from 2021/22 were completed in 2022/23. Several cases of COVID and other absences due to serious illness among traders resulting in no arrears charge and reduced income.
5	Civic
	Includes reduction in the cost of Civic events, notably due to the revised arrangements for the 2022 Sheriff's Ride, but includes consultant costs to advise on the future of the Ride as approved by Council via the Sheriff's Ride Working Party. Also includes increased staff support costs as a result of the fixed salary increase applied nationally for 22/23.
6	Grant Aid/Partnerships
	Includes two 'Warm Spaces' grants totalling £5,000 following adoption of a motion for such provision by Council at its September meeting.
7	Arts/Tourism/Twinning
	Includes costs associated with refurbished Christmas light fixtures, new cabling, additional barriers and security provision at switch-on event, CPI increase in light installation/removal contract value.
8	Johnson Birthplace Museum
	Includes the increase in energy costs and reduction in donations income.
9	Democratic Services
	Variance driven primarily by nationally agreed salary increase.
10	Investment Interest
	Increase in interest rate over the financial year, due in part to rates applied by the Council's bankers, but also a result of transferring a significant amount of LCC reserves to a fixed rate account.
11	Agency
	It is anticipated each year that SCC will reduce their payment to LCC for verge maintenance and this was accounted for in the budget. However, the actual payment received was higher than the reduction that had been assumed.

Note	<u>Details</u>		
12	Repairs and Renewals		
	Relatively minor overall variance from budget, but significant programme additional structural work required to the Birthplace Museum.	changes resulted from	the
13	Community Infrastructure Levy (CIL)		
	In-year movement based on CIL receipts and spend.

Lichfield City Council

Minutes of the Johnson Birthplace Advisory Committee Meeting held in the Moulton Room, Guildhall at 10:30 am on Tuesday 25th April 2023

PRESENT:

Representing Lichfield City Councillors Cllr G Boyle (Chair) and Cllrs J Anketell

Council: D Dundas, J Eagland, C Rapley, C Spruce, and R Yardley.

In Attendance: A Briggs (Town Clerk)

Joanne Wilson (Museums & Heritage Officer)

Lisa Hand (Museum Support Officer)

J Winterton (Johnson Society representative) R Awty and T Thompson (Honorary Members)

Apologies: P Jones, Cllr T Matthews.

DECLARATIONS OF INTEREST AND REQUESTS FOR DISPENSATION None.

10. MINUTES

RESOLVED: That the Minutes of the Meeting held on 1st November 2022 be confirmed as a correct record. [Minutes adopted by Council on 12 December 2022].

11. MATTERS ARISING FROM JBAC MINUTES

Update on the Lomax Bust: funds have been raised by J. Oates via an appeal to residents, and local specialists have offered their services at reduced or zero cost to enable the installation to take place. The bust is soon to arrive at Donegal House for safekeeping while it is inspected and assessed prior to its installation. The bust should be installed over summer 2023.

12. FORWARD PLAN: AIMS AND OBJECTIVES 2023-2026

The Committee considered the Aims and Objectives report. The committee discussed the goal of the Museum to have an average donation of 50p per person; the average donation per head for the last 2 financial years has been 39p pp.

Aim 1 on the report was addressed: The offer of staff and volunteer training & development is open to JBAC members.

Aim 3 on the report was addressed 'Work with the Johnson Society to support their exploration of fundraising for expansion into an adjacent building': J Winterton requested that the item be reworded to reflect the current position, i.e. that support for such expansion remained but there was no proactive work taking place by the Johnson Society currently as LCC has not committed to any such project. It was determined that the Town Clerk will investigate costs of a feasibility study regarding expansion to provide a working document that will enable more complete consideration of the costs and benefits of such a project should such an opportunity arise in the future.

RESOLVED:

- 1. That the revised Forward Plan be adopted.
- 2. The costs of a feasibility study into the potential expansion of the Museum be investigated and provided to the Committee.

13. DEVELOPMENT PROJECT UPDATE

The MHO provided a brief update, confirming the budget for the remaining phase one work had been approved by Council at its January meeting. Plans are being finalised for composition and installation of the toilet block; a demountable toilet block is no longer an option due to cost, however there is the alternative option of having a pre-constructed toilet block that can be lifted into position by crane. A contractor who specialises in such installations will review the site on Tuesday 2nd May 2023, and the architect is looking at costs. The new workroom will be installed before or after the toilets depending on the timeframe. It was mentioned that some committee members had not seen the reports for the work carried out in 2022. The MHO to send out the 2022 reports to the committee members.

RESOLVED: That the report be noted.

14. QUINQUENNIAL ARCHITECT INSPECTION

The Quinquennial inspection of the Birthplace building was undertaken by Andrew Hayward of Brownhill Hayward Brown in March 2023. No significant identifiable issues were reported.

Three 'Priority A' items are recommended:

- 1) that access to inspect the hidden valley gutter between the Birthplace and Number 36 Market Street is investigated.
- 2) that small areas of some ceilings and walls are made good post re-wiring.
- 3) that the boiler is inspected and monitored regarding an area of apparent corrosion.

Item 2) is already budgeted in the development plans for 2023/2024 and item 3) addressed during annual boiler checks by CBS systems. Item 1) will be pursued with BHB, with a view to reporting on any resulting associated costs at the next JBAC meeting for inclusion, if required, in R&R budgets for 2024/2025. The full inspection report is available to members on request.

RESOLVED: That the report be noted.

15. COSTS AND CHARGES

The Committee discussed concerns over the Cost of Living Crisis and the school charges increase; The MHO explained the tiered system which gives schools different options and that the Museum always offer a free option during holidays and half term for families who do not wish to participate in a paid trail or craft.

RESOLVED: That the 2023/24 costs and charges be approved.

16. DATE AND TIME OF NEXT MEETING

In the Calendar of Meetings of 10:30am on Tuesday 31st October 2023. Following the adoption of the Minutes of the JBAC meeting of 6 November 2018, additional meetings may be called in the meantime if appropriate.

Minutes of the Meeting of the Markets Working Group (MWG) held via Zoom on Thursday 1 June 2023 at 10:00am

PRESENT: Councillors J Blackman (Chair) and Councillors C Pinder-Smith, P McDermott and J Smith.

IN ATTENDANCE: S Thomas (Deputy Town Clerk), Jeremy Williams (Markets Officer), A Briggs (Town Clerk) Michelle Read (Office Administrator) Cllr D Robertson (Council Leader)

APOLOGIES: Cllr D Baker

1. DECLARATIONS OF INTEREST AND REQUESTS FOR DISPENSATION None.

2. MINUTES OF PREVIOUS MEETING

RESOLVED: The Minutes of the MWG meeting held on 28 February 2023 be confirmed as a correct record [Minutes received by Council on 13 March 2023].

3. MATTERS ARISING FROM MINUTES

Councillor McDermott highlighted that the minutes recorded Clive Read in attendance twice.

4. MARKETS WORKING GROUP - TERMS OF REFERENCE

The Working Party discussed and noted the Terms of Reference.

RESOLVED: That the terms of reference be noted and accepted

5. TRADER REPRESENTATION ON THE MARKETS WORKING GROUP

Members considered the agenda report detailing the trader nominations to the Working Group. It was noted that only one trader had put themselves forward for the position. The Chair encouraged all members of the MWG to make contact with Traders, Cllr J Smith confirmed he did this regularly, and that it was beneficial to his role on the MWG.

RESOLVED: That Market Trader John Dawkins be invited to attend future meetings of the Working Group as appropriate

6. MARKETS UPDATE

Members considered the agenda report. The Office administrator provided an update to the report and informed members that the two vacant pitches on the Tuesday market had now been filled and the recent success of two charity events held on the Market Square. The Deputy Town Clerk commended the Office Administrator for facilitating the markets function in the interim period before the appointment of a Markets officer. The Deputy also welcomed the new Markets officer and noted how quickly a rapport had been established with the Traders.

RESOLVED: That the report be noted

7. PERMANANENT TRADERS – NON-ATTENDANCE

Members noted the agenda report which detailed the reasons why the proposed early notification of non-attendance incentives had not been introduced; the main factor being the resignation of the previous Markets Officer and the necessary recruitment to the role and appropriate training for the new post holder.

RESOLVED: That the report be noted.

8. HIRE OF POOL WALK

Members considered the Town Clerk's report following the hire of Pool Walk for the Food Festival weekend. It was agreed that the current '21 stall' plan was a good baseline but that amendment should be possible. Such amendment to be requested in good time by the organiser and discussed by the MWG.

Members were keen to see the proposed plan for the use of Pool Walk before the next Food Festival in August and requested officers to progress this. Members also discussed the introduction of sanctions for non-compliance with Council layouts but agreed to leave any decisions in abeyance until the next meeting of the MWG.

RESOLVED: That Officers contact the organisers of the Food Festival and request a detailed plan for the use of Pool Walk at the next event in August, together with assurances as to how the associated software calculates appropriate crowd numbers etc. The information to be presented to the MWG for discussion.

9. DATE AND TIME OF NEXT MEETING

Date in July to be agreed via email. Meetings to remain on a Thursday at 10am, the next meeting to be in person.

10. ANY OTHER BUSINESS

Councillor J Blackman suggested the introduction of an online boking system for casual traders which could be added to the City Council's website. Officers to progress and report back to the MWG.

It was agreed that an Instagram account be created for the Markets which could be linked to the Facebook page and used to publicise activities and vacant pitches.

Officers to progress.

Councillor P McDermott enquired as to the uptake of hiring the City Council Gazebo. The Office administrator reported that only one Gazebo had been purchased which had been used on a few occasions by a trader who had now left the market. It was suggested that the facility to hire a City Council Gazebo be promoted more frequently on the market's social media platforms, and possibly on the Square via a 'sail' advertisement or similar.

Minutes of the Annual Town Meeting held in the Guildroom, Guildhall, Lichfield at 7.30 pm on Wednesday, 24 May 2023

259 PRESENT

The Mayor of Lichfield (Cllr A Hughes, in the Chair), and attendees and electors as entered on the attendance sheets.

260 OPENING REMARKS AND WELCOME BY THE MAYOR

The Mayor warmly welcomed everyone to the Annual Town Meeting and introduced the Town Clerk who outlined for the benefit of those unfamiliar with the proceedings, the order of business and conduct of the meeting.

261 MINUTES

RESOLVED: That the Minutes of the Annual Town Meeting held on 25 May 2022 be confirmed as a correct record.

262 CITY COUNCIL ANNUAL REPORT 2022/23

A copy of the Annual Report of City Council activities during 2022/23 was circulated for information and a brief overview provided by the leader of the council, Councillor D Robertson. Councillor J Eagland commended the Town Clerk and Officers for an excellent Annual Report and all their hard work.

263 REQUESTS AND REPRESENTATIONS OF ELECTORS

Councillor P Ray suggested that the Council look at ways of modernising the Act of Remembrance in order to engage a younger demographic. Councillor D Robertson commented that the Scouts, Air and Army cadets already attend this event but agreed that the Council should continue to reach out to the wider community. J Marks added that the Act of Remembrance is always well supported and that the Cathedral, Gardens of Remembrance and surrounding streets are always full.

J Marks requested that the Council continue to use names listed on the Cenotaph from the World War II for street names. The Town Clerk confirmed that this was already the case.

Councillor C Ball noted that compared to four years ago the majority of attendees at the Annual Town Meeting were Councillors and asked why that was the case. The Town Clerk responded to confirm that the meeting had been publicised and that attendance reduced considerably following the COVID-led decision to make payments for grants via BACS rather than by cheque at the Annual Town Meeting. Cllr D Robertson commented that while this change was not good for the meeting itself, it was a positive step for those in receipt of grant monies, allowing them to receive such monies earlier in the financial year and with less inconvenience.

OFFICERS' INFORMATION REPORT

1. Civic Matters: Harriet Chatwin, Civic Officer

On Thursday 30 March, The Friary School in Lichfield held its annual Encore event otherwise known as 'The Sheriff's Show'. This was another great performance from the talented youngsters & Friary School PTA kindly allowed the City Council to be sole raffle ticket vendors on the evening. As a result, a fantastic amount of £350 was raised for the Mayor & Sheriff's charities.

The annual Sheriff's Darwin Walk took place on Sunday 2 April. The walk started at Bunkers Hill, Beacon Park and follows a well-established route around the City Boundary. Encouraged by the good weather, over 90 people took part, many bringing along their dogs to join in. Everyone thoroughly enjoyed the walk which raised £54.

On Sunday 9 April, there was a Civic procession from the Guildhall to the Cathedral, including the newly appointed High Sheriff of Staffordshire, Victoria Hawley. After the Eucharist service at Lichfield Cathedral, refreshments were served in the Guildhall including the traditional Simnel cake. This was the last civic engagement for the 2022/23 Mayor Jamie Checkland and Sheriff Janice Greaves and an opportunity to thank all those who have helped them during their year in office.

Toasts were given by Cllr Janet Eagland and Cllr Robert Yardley congratulating them on a successful year.

The annual St. Georges Court was held in the Guildhall on Saturday 22 April. This traditional manorial court was very well received with over 100 people in attendance. Ale Tasters Nick Sedgwick and Colin Ablitt once again gave their witty reports along with this year's High Constables, Jane Dayus-Hinch & Denise Gwilt. Geoff Mumford from Burton Bridge Brewery kindly supplied the Ale. The Court was then closed and proceedings were ended with the Toast to 'The Immortal Memory of St George' by Cllr Chris Spruce.

Final accounts are still awaited but indications are that Jamie Checkland & Janice Greaves will have raised just over £10,000 during their year 2022-23 for their chosen charities. It is hoped that cheques will be presented to representatives from the charities, Sebbie Hall Kindness Foundation & Pathway Project in late June or early July.

The investiture of the new Mayor, Deputy Mayor and Sheriff for Lichfield City Council took place in the Guildhall on Monday 15 May. The new Mayor of the City is Councillor Ann Hughes, proposed by Councillor D Robertson and seconded by Councillor R Harvey-Coggins. In accepting the office of Mayor for the forthcoming year, Councillor Hughes thanked her fellow councillors for their support and stated that it was a great honour and privilege to be elected. She also paid tribute to the work of the outgoing Mayor, Jamie Checkland and Sheriff, Janice Greaves.

The new Deputy Mayor is Councillor Samuel Schafer whose appointment was proposed by Councillor D Robertson and seconded by Councillor C Pinder-Smith. Completing the new Civic Team is Adam Burns-Mace who was elected Sheriff of the City, following a proposal from Councillor D Baker that was seconded by Councillor R Yardley. The Sheriff's consort for the ensuing year is Anthea Maou.

The Mayor proudly announced her appointment of RAF Cadet Sergeant Ben Carty and Mayor's Chaplain, Revd Ian Hayter for her forthcoming year in office. Following the investiture of the new Civic Team, the retiring Mayor, Mayoress, Sheriff & Sheriff's Consort were presented with replica badges of office. Following the meeting, light refreshments were served in the Guildroom.

During their year in office, the Mayor and Sheriff will jointly host four events to raise money for their nominated charities: Lichfield District City of Sanctuary & St Giles Hospice.

Following council resolution, the Mayor's Banquet was held on Monday 22 May in the Guildhall. Reports on this and the traditional Court of Arraye on Spring Bank Holiday Monday, Swinfen Broun Bowls Match & the Twinning Weekend being held in Limburg early June, will follow in the next officers' report.

2. Samuel Johnson Birthplace Museum: Jo Wilson, Museums and Heritage Officer

April was a very popular month at the Samuel Johnson Birthplace Museum, with 1888 visitors attending. The school holiday weeks were particularly well attended and families enjoyed an Easter-themed trail and activities, including a children's colouring competition won by Tom and Ava Walters aged 8 and 10, and Leah Bradley aged 5.

Over 5000 people engaged with the Museum digitally in April by reading the blog or newsletter, visiting the website or via social media. Historian Alice Loxton visited while in Lichfield as part of the Literature Festival, and her Instagram video tour of the Birthplace received over 12,000 views.

Former Museum Attendant Sue Bray visited the Solihull branch of the National Trust to deliver an Outreach talk, and current Attendant Sarah Dale led a tour of the Museum for the Olton and District U3A, and two Dictionary Workshops for Sixth Form students from De Ferrers Academy, Burton.

On Saturday 22 April Local author Lorraine Hellier (pictured) hired the Museum as the venue for the launch of her new young adult fiction book 'Parallel Worlds', published by Dreamwell Writing Ltd, a Staffordshire-based publisher of dyslexia-friendly books.

The trial sessions of a new 'Writing Café' led by director and arts professional Simon Quinn came to an end, and following positive feedback and attendance will continue weekly on a Monday afternoon.

In the Museum library, a postgraduate student from University College London attended to work on publishing history, a researcher from the Shakespeare Institute consulted editions and documents relating to Johnson's Shakespeare, and Keele University PhD candidate Emma Stanbridge continued her project in collaboration with the Birthplace. The MHO carried out virtual interviews with students from the University of Birmingham and a student has been selected for a two-week placement in the Summer.

Michelle from Terrain, LCC's Health and Safety advisors, ran a practical Fire Warden training session for all members of the Birthplace staff team.

Work on the Museum Development project continued, including a site meeting with a crane company to discuss installation of the Museum toilet facilities and preparations in the workroom, including removal of the fixed barrier and addition of a new rope barrier to enable access to the yard. An outstanding repair on a window in the Birthroom was carried out by heritage specialists Messenger, and a small floorboard repair in the AV room completed. The window work revealed information about the original early 1700s sash mechanisms, including an example of a rare wooden pulley wheel about which further research is underway.

The Guildhall Prison Cells summer season started on Saturday 1 April and the displays open from 10am – 4pm on Saturdays until October, when other Guildhall bookings allow. New volunteers Celia Durk, Ian Bird and David Tucker joined the team, who have already welcomed an average of over 160 visitors every Saturday since opening.

Following the official unveiling in late March, the plaque commemorating Francis Barber was installed on the exterior of Cruck House on 18 May. The plaque was arranged by the MHO in collaboration with partner organisations including the Johnson Society, Lichfield City of Sanctuary and One Lichfield.

The bust of Samuel Johnson, formerly situated at Lomax's printing shop on Bird Street, returned to Lichfield. Professional art couriers transported the work, which is currently on loan to the Birthplace Museum collection and securely stored while it can be appraised by specialists to plan installation in its original home.

3. Open Spaces and Tree Management: Nigel Boden, Open Spaces Officer

Heather & Festival Gardens - Path resurfacing

Areas of damaged pathways have recently been retarmacked, one stretch on the path alongside Trunkfield Brook in Festival Gardens and a further two sections in Heather Gardens.

Wildflower / Wilding Signage

Signage prepared in association with Staffordshire Wildlife Trust and LDC has been situated at Festival Gardens and land opposite St Chad's to promote newly extended wildflower areas.

Additional signage has also been placed at Nether Stowe and Festival Gardens to highlight areas left uncut for wilding.

Unfortunately, the sign at Nether Stowe was quickly removed by persons unknown. The photograph opposite was taken at Nether Stowe (open space 10) during late May.

Open Space 12, St Chad's

Following inspection, recommended tree work has been completed at St Chad's (Site 12) including felling of a failing yew tree alongside the cottage and reduction of cedar limbs growing over the parking area and footpath.

Other matters progressed/completed since the last report and in addition to routine inspections include:

- New litter bins installed at Festival Gardens, The Parchments and Hillside
- Memorial bench plaques added at the request of Survivors of Bereavement by Suicide (SOBS) at several sites including Friary, Festival & Heather Gardens, Market Square and Pool Walk
- Re-siting of bus shelters on Darwin Park that do not currently serve an active route, following discussions and requests from Leomansley Area Residents Association (LARA).
- Tree works at St Michaels churchyard completion of scheduled works following previous specialist report and further investigations by the Open Spaces officer and LDC's Arboricultural officer
- Signage installed for Jukes Funeral Services sponsorship of Cappers' Lane roundabout
- Various treeworks and hedges cutback at Haymoor (Site 53 open space and pathway)
- Curborough Community Hall replace damaged inspection chamber cover
- Gazebo (Site 22) reoiling of wooden owl sculpture, cut back fallen ivy clad branch, monitoring of reported anti-social behaviour assisted by local community police
- Beaconfields (Site 15F) works at Seckham Road to reduce Hawthorns, Lime crown and remove ivy/dead wood from Sycamores.
- Remembrance Gardens replacement of bench slats due to vandalism

4. Markets: Jeremy Williams, Markets Officer/Michelle Read - Office Administrator

With the assistance of the Office Administrator, both the previous and new Markets Officer continued to work closely with the Market Traders, particularly through the transition period while the newly appointed Markets Officer, Jeremy Williams, settles into post.

We have only two pitches on the Market that are currently vacant. This is due to recent changes in the traders' circumstances and they are no longer able to trade. They both know that they would be welcomed back should they wish to re-join the Market. The traders leaving the Market are Nourish and Knead and Rustic Ideas.

All Licences have been signed and PLI checks have been completed to ensure these are current and up to date. The weekly Market Registers have been updated with the new rent charges and traders are now paying the increase with no further issues raised.

The General Market posters have been in situ for a number of weeks with two concerns from the public being raised. These are being investigated to assess whether any action should be taken.

The posters are in five LCC bus stops around the City to promote the Market as well as on display on the Market Square. We have also replaced the sign on the Market Block. This has been well received with positive comments regarding the design and information provided on it.

We have a good following on our social media platforms and will be focusing on our Market and promotion of other events taking place on the Market

Square to promote Lichfield and help increase footfall.

We have had several events on the Market Square recently, with two in particular standing out due to their success.

Children with Cancer UK held a charity event with a number of exercise bikes in their gazebo and willing volunteers pedalled away. If they completed a stint of 100 miles, they were awarded a medal. This event was put on by two sisters who are starting a 1000 mile bike ride challenge, riding from Lands End to John O Groats. One of the sisters has recently lost her son to cancer, so this is a cause that she is passionate to support. On the day they raised £765 in their collection buckets, and a total of £1,900 with the online donations.

The second event was held by Lichfield Litter Legends. They had a very busy day, litter picking and spreading awareness of the group, as well as the importance of putting litter and cigarette butts in the bin or taking rubbish home. The Litter Legends were pleased to welcome Ukranian volunteers who assisted on the day.

Tuesday Market Update

We currently have 2 pitches available due to recent changes in circumstances for 2 of our casual traders. They are aware that should things change, they would be welcome to return. The leavers are Nourish and Knead and Rustic Ideas. However, we do have a number of enquiries and hope that we will be able to get these pitches filled again soon.

Friday Market Update

All pitches are taken on our Friday Market. One of the newer traders, Athens Street Food is proving to be a popular stall. They offer a variety of Greek Food, which always look and smell delicious.

Saturday Market Update

Saturday market remains full. We are continuing to work on the list where we hold details for traders that will cover at short notice due to absence and holidays. This is working well and allowing us to keep the Market full, enhancing the footfall into the City and improving opinions of our Market.

Coronation day saw a number of Traders put up bunting and get into the spirit of the day.

5. Deputy Town Clerk: Sarah Thomas

The Deputy Town Clerk has been assisting the Town Clerk with the associated administration required for newly elected members including the provision of City Council emails.

The Deputy continues to work closely with the Civic officer on the larger functions including the Mayor's banquet and Court of Arraye.

In addition, the Deputy has provided secretariat support at the Annual Council meeting, Annual Town Meeting and Markets Working Group.

DISPENSATIONS

a. Power to grant dispensations

A member with a "disclosable pecuniary interest" can submit a written request to the Town Clerk for the Council to grant a dispensation to relieve the member of restrictions that would otherwise prohibit them from speaking and/or voting on a particular matter.

The council may grant such a dispensation if, having had regard to all relevant circumstances, it considers that any of the following apply:

- i. without the dispensation the number of persons prohibited from participating in any particular business would be so great a proportion of the body transacting the business as to impede the transaction of the business
- ii. without the dispensation the representation of different political groups on the body transacting any particular business would be so upset as to alter the likely outcome of any vote relating to the business
- iii. granting the dispensation is in the interests of persons living in the authority's area
- iv. it is otherwise appropriate to grant a dispensation.

A dispensation must specify the period for which it has effect, and that period may not exceed four years. The dispensation can be granted to allow the member either to speak, or to vote, or to speak and vote, where they would otherwise be prohibited due to their disclosable interest.

Members do not have a disclosable pecuniary interest when deciding whether or not to grant a dispensation; members who have an interest in a matter <u>can</u> speak and vote on whether or not a dispensation is granted to them.

b. Dual-hatted members

The District Council has advised that because principal council members are in receipt of allowances and expenses, this falls within the definition of 'employment' and is therefore one of the matters defined by the Secretary of State as a Disclosable Pecuniary Interest (Appendix A of the Council's Code of Conduct).

This means any city councillor who is also a member of the district and/or county council cannot speak or vote at a city council meeting on any matter relating to their other council. Inevitably many matters considered by the city council relate to the district or county council, and with nearly 40% of LCC members also being members of LDC, this could create significant practical problems unless a dispensation is granted to overcome the prohibition. As there are only 2 County Council members who are also LCC members, the issues arising are far less pronounced.

It is therefore proposed that any member who is 'dual-hatted' by virtue of their membership of the city council and district council, and who makes a prior written application, should be granted a dispensation up to the date of the next full council elections in 2027, permitting that member to speak and to vote on any matter relating to their District council membership *if they so wish*.

A member could still decide that, because of the particular nature of an interest they would not wish to speak, or vote, or speak and vote. In such instances this would be recorded in the Minutes.

c. Council appointees to outside bodies

The Council's Code of Conduct lists in "Appendix B" interests which the Council has determined that councillors must register and disclose and on which councillors are permitted to speak, but not vote. These include instances where a member is in a "position of general control or management" on an outside body and matters relating to that body come before the Council. However, when the Council has itself appointed a member to such a body this is perhaps unduly restrictive, and it is therefore suggested that a blanket dispensation be granted, on written application, to permit a member to also vote on any matter relating to a body onto which they have been appointed by council.

RECOMMENDED:

- a) That subject to a member submitting a written application, the Council grant a dispensation for the period up to the next full Council elections in 2027 permitting any member who is 'dual-hatted' by virtue of their membership of Lichfield District Council and Lichfield City Council, to speak and vote on any matter relating to their District Council membership.
- b) That, subject to the member submitting a written application, the Council grant a dispensation for the period up to the next full Council elections in 2027 permitting any member to vote on any matters relating to the affairs of a body onto which they have been appointed or nominated by the Council.
