## ADDITIONAL STREET LIGHTING – CONSULTATION REPORT

As part of the request for C.I.L. funding for additional street lighting between Darwin Hall and Waitrose car park (or between the Inkwel P.H. car park and Colling Drive), the following have been consulted as to the acceptability of this lighting.

### RESIDENTS

38 Colling Drive  
40 Colling Drive  
42 Colling Drive  
44 Colling Drive  
46 Colling Drive  
48 Colling Drive  
50 Colling Drive

### BUSINESS

Inkwel P.H.

### PASSERS BY

Mrs 'A'  
Mr & Mrs 'B'  
Mr 'C'  
Mr & Mrs 'D'  
Family 'E'  
Family 'F'  
Mrs 'G'  
Mr 'H'

All of the above, except Mr 'H' were in favour of additional street lighting along the above stretch of footpath. Mr 'H' was a "don't know", as he doesn't use the footpath in the dark.

There were some concerns as to privacy and intrusiveness, but it was agreed by all that three lamp posts, no more than 10 feet (3 metres) high, L.E.D lights shining down onto the footpath would be acceptable.
