INTERNAL AUDIT REPORT

2023-24

Graham Keatley Internal Auditor

ANNUAL REPORT OF INTERNAL AUDIT 2023-24

Introduction

The purpose of this report is to:

- Provide the Council with an internal audit opinion of the effectiveness of the systems of financial control, risk management and control arrangements based on the work undertaken during the year
- Summarise internal audit activity
- Raise any particular issues arising from that work

Overall Opinion

Based on the findings of the work undertaken during the year, my overall opinion on the soundness of the system of internal control is that it was adequately controlled. The overall opinion for each review conducted is given in the Appendices. Areas for improvement were identified in a number of reviews and action plans agreed.

Background

The Local Government Accounts and Audit Regulations 2011 require every Authority to maintain an adequate and effective system of internal audit of its accounting records and its system in accordance with proper internal audit practices.

Internal Audit is an assurance function that primarily provides an independent and objective opinion to the Council on the control environment comprising risk management, control and governance, by evaluating its effectiveness in achieving the organisation's objectives. It objectively examines, evaluates and reports on the adequacy of the control environment as a contribution to proper, economic, efficient and effective use of resources.

Internal Audit must ensure that all activities of the Council are subject to an internal audit review. The identification of these activities has been agreed with the Town Clerk.

The Annual Audit Plan for 2023-24 was approved by the Audit Committee on the 9 March 2023 Approved by Council 13 March 2023, and is reproduced for information as **Appendix A**.

The findings of work undertaken, and recommendations are at Appendix B.

A summary of the recommendations and management response are at **Appendix C**.

The Management and Insurance risk register details are at **Appendix D.**

The Annual Internal Audit Report as required for the Annual Accountability Return for the year ended 31st March 2024 will be completed as the statement of accounts for 2023-24 is prepared. Details are contained in **Appendix E.**
