

<p style="text-align: center;">Climate Change and Biodiversity Committee 17 February 2025: Enclosure 1</p>
--

Possible key actions advised by the Woodlands Trust

- **Promote Free Tree Packs:**
The Woodland Trust provide native tree packs to schools and community groups, which can greatly enhance local tree planting efforts.
- **Call for Land:**
Issue a press release and social media campaign, to unlock land for tree planting. The Woodland Trust can assist in identifying the most suitable areas.
- **Incentivise Tree Planting:**
Through our MORE woods and MORE hedges programmes, the Woodland Trust can help subsidise tree and hedgerow planting.
- **Engage Residents in Tree Conservation:**
Encourage the community to log ancient and veteran trees on the Woodland Trust Ancient Tree Inventory to protect valuable habitats.
- **Adopt or Renew a Tree Strategy:**
The Woodland Trust can provide a template to help develop a tree strategy, which will guide future planting and conservation efforts, attract funding, and demonstrate commitment.

More details on all of the above can be found at <https://bit.ly/woodlandtrustlinks>
